

### **Meeting Room Access Information**

Because SYFR HQ is a secure venue the branch has only been issued with 2 access cards for the back entrance door, and the following paragraph details access and parking information for all members.

Access the HQ car park via Jessop Street, off Eyre Street, the car park barrier will automatically rise when you drive up to it. Please, only park to the left of the entrance as the car park spaces to the right along the wall are for operational personnel only. Once parked go to the central rear door and a pass holder will let you in, and direct you to conference room, which is on the same level and only 20ft from the door. Do not worry if you are late, simply ring the top white doorbell and someone will come and open the door for you. If that fails ring one of the numbers below.

Nigel Kind—07825 753100

Arthur Levick—07933 565349

Ted Mullins—07580 926103
